**SAN JACINTO
COLLEGE**
Your Goals. Your College.

“I WANT TO TAKE CLASSES THAT COUNT TOWARDS A 4-YEAR DEGREE.”

Save money and ease the transition into a four year program by taking the basics at San Jacinto College. We provide a full range of core courses in every major area of study, enabling you to make progress, regardless of where you're headed next. And, don't worry about missing out on a great college experience either. San Jacinto feels like a major university, with sports teams, clubs, the arts, and other student activities that will enrich your life and provide lasting memories.

- *Strong partnerships with universities ensure that your basics are approved for transfer*
- *A broad variety of course options from economics to physics to art history*
- *Reputable faculty with real-world experience prepare you for advanced study*
- *Experienced advisors and admissions professionals smooth out the process for you*

“I'M NOT INTERESTED IN A JOB. I WANT A CAREER.”

A career is more than a job; it's the kind of work you look forward to as it challenges you every day of your life. When you're ready to make the change, San Jacinto College is here to help with specialized programs that prepare you with hands-on training by experienced professionals in your chosen field. Invest in your future today!

- *More than 140 degrees and certificates – from aviation to interior design*
- *Training programs created with local businesses ensure that graduates are fully prepared for their new career*
- *Instructors are skilled artists, craftsman, and specialists in their field*
- *Career and employment centers assist in locating employment, either while attending college or after graduation*

“I WANT TO MOVE TO THE NEXT LEVEL AT WORK.”

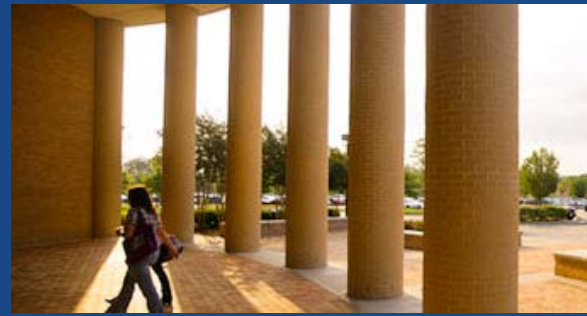

More than ever, companies today require a highly skilled workforce. In order to maintain your competitive edge and advance in your profession, you'll need to continually invest in your most important asset—your skills. San Jacinto College's workforce training programs will pave the way for advancement at work by providing essential knowledge and skills in the latest trends and technologies required at every level in your profession. Regardless of your professional and educational goals, Continuing & Professional Development at San Jacinto College is your training connection for career success.

- *Courses are designed to provide practical skills and hands-on training*
- *Career training in critical skill areas like foreign languages and important local industries such as maritime, healthcare, and more*
- *Expand your horizons with a personal enrichment course like ballroom dancing or the martial arts*
- *Training opportunities help you become a better citizen and more productive employee*

Every journey requires a first step.

GET THERE AFFORDABLY

Regardless of your economic situation, San Jacinto College wants to make sure that finances never stand in the way of your success. Beyond low tuition and expenses, we offer plentiful opportunities for grants, scholarships and student loans. We are dedicated to making sure your education here is as affordable as it is excellent.

GET THERE ON YOUR TERMS

Every student has a unique background, situation, and needs and sometimes it can be tough balancing school with other priorities. San Jacinto College offers a tremendous variety of classes at multiple times across three different campuses and multiple extension centers so that we can serve you better. You can even take many of these courses online, in the comfort of your own home. Whether you're looking for college credit, job training, or continuing education, we have options designed to fit your lifestyle.

EMPOWERING YOU TO GET THERE

At San Jacinto College, you'll be amongst friends who will support you as you invent yourself and design a brighter future. We recognize how difficult it can be to navigate the maze of college credits or professional licensing requirements, which is why we provide academic advising to all students. An advisor can make sure you're progressing correctly through your degree plan, answer your questions and help you decide on changes you might want to make.

We also provide career counseling to help ensure that all of your preparation pays off. We'll help you examine your options, formulate career objectives, identify areas to explore, and create a realistic plan. There is also a Career and Employment Center at each campus to help you write your resume, prepare for interviews, and identify job opportunities.

GET STARTED TODAY

Regardless of the stage of life you're in, you'll always have the ability to invent yourself at San Jacinto College. But every journey requires a first step, so take that step in the right direction and visit www.sanjac.edu or call 281-998-6150 for more information. The future is waiting, don't hesitate!

Visit www.sanjac.edu or call 281-998-6150 today!

Pillars of the Community Since 1961.

In September of 1961, some 870 students filed into a handful of renovated buildings off Spencer Highway to attend the very first classes offered by San Jacinto Junior College. Since then, we've grown to three campuses and nine extension centers offering more than 140 academic and technical degree programs to a diverse population of more than 29,000 students. With successful athletics, a thriving arts program, and spirited student life activities, we hardly resemble most community colleges.

Our top priority is your success. Since day one, we've been focused on helping you meet your goals, whether personal, professional, or educational. We believe strongly in the power of the individual to not only make their own dreams come true, but to better our community in the process. Whatever you need, whatever you seek, it's here for you – and we are here to help you every step of the way. When you enroll at San Jac, our people become your greatest asset, and we are committed to helping you achieve your dreams.

We're here for you!

San Jacinto College has three unique campuses in the greater Houston area, each with its own personality and focus. Below, you can learn more about each one and find the fit that's right for you.

Additionally, we offer several programs that are best taught in specialized facilities. These extension centers make it convenient for students, professionals and people from the community to take advantage of all types of learning opportunities, including GED preparation, ESOL, personal enrichment, workforce training, professional development and a wide variety of academic courses and technical training programs. For a complete list of locations, visit us at www.SanJac.edu.

NORTH CAMPUS

San Jac North has earned an outstanding reputation in just about everything we offer – from award-winning computer, paralegal, real estate and diesel mechanics programs to distance learning and evening programs. The college experience is alive here with active student organizations, fun activities and much more.

5800 Uvalde Rd., Houston, TX 77089
281-458-4050

CENTRAL CAMPUS

At central campus you'll be immersed in an atmosphere of higher learning where dedicated instructors give you one-on-one attention in small, stimulating classes. Tuition is affordable here and scholarship opportunities abound, so you're free to pursue your greatest aspirations, without limitations.

8060 Spencer Hwy., Pasadena, TX 77505
281-476-1501

SOUTH CAMPUS

We are located close to NASA and Memorial Hermann Hospital Southeast, which supports our many programs in science, engineering and health sciences. Students come from all over the world specifically to take advantage of our unique academic offerings. Add in our high-spirited athletics, student organizations and constant activities and you're living the college life at its best.

13735 Beamer Rd., Houston, TX 77089
281-484-1900
